26th January 2026

Ref: SIC-SSC-2601 -102

STRUCTURAL SOUNDNESS CERTIFICATE

DETAILS:

1. Name of School	Indian Central School
2. Address	Street 100, Block 1, Abbasiya School Complex, Opposite National Bank of Kuwait Jaleeb Al-Shoyoukh Kuwait
3. No. of floors on which the school classes are running	School is concrete structure building with 3 floors (Ground, First & Second).

ASSESSMENT:

We certify that we have inspected the Indian Central School building premises referred to the above and examined the various parts including the foundation, walls and roofing with special reference to the class rooms.

We are of the opinion that works and construction in premises are structurally sound and satisfactory and that stability will not be endangered by their use as school.

Thanks and regards,
